Christmas Shows

A huge thank you to all of you who came to support our pupils as they performed their Christmas shows. An opportunity to perform live in front of an audience is very valuable and an experience that will surely stay with the children. Your help in preparing the children with costumes, learning words and practicing singing was appreciated. A message of thanks must also be given to the special staff for their dedication and efforts in creating, scripting, composing, producing and staging the shows, not to mention stepping in with the acting every now and then. Thank you!

I would also like to thank the Reverend Jan Gould for offering us the Church of the Resurrection in Ely for the Junior Learners' Service. It was a special venue and we are lucky to have it in our community.
